

Report to the Kentucky Library Association Board
Communications Committee
Lexington, Kentucky
March 3, 2012

Report No Report at this time.

I have a couple questions that I would like input from the board concerning our charge about guidelines for Facebook.

1. Do we need to develop guidelines for what the page should look like or what content should be included?
2. Do we need a way to inform members about our Facebook pages?
3. Does the anti-trust statement need to be on the page?

Respectfully submitted,

Fred Tilsley
Chair
